Grant Overview

Room tax funds are received from the City of Rhinelanders and the Town of Pelican, and are facilitated by the Rhinelanders Area Chamber of Commerce through the Rhinelanders Tourism Marketing Committee (“RTMC”). RTMC allocates a percentage of its room tax revenue for the development or expansion of visitor attractions and amenities through a grant fund.

Funding is devoted to community groups and organizations that further the advertising and promotion of tourism in the Rhinelanders area. RTMC will consider applications from non-profit groups and organizations that provide marketing and focus on bringing people to the Rhinelanders area. RTMC will also consider applications from non-profit groups and organizations that offer activities or events that will encourage people to stay longer.

RTMC will not fund for-profit organizations. RTMC will not provide room tax funds for an organization’s operating expenses, volunteer pay or stipends, or infrastructure.

Funding Guidelines & Criteria

A number of criteria must be met to qualify for grant consideration:

1. Your event or project must be sponsored by a Non-Profit organization with IRS certification.
2. The event or project must be located within the Rhinelanders area; however, ‘WOW’ type events located outside our normal area that will have a positive impact on our area may be given consideration.
3. Contributing to the development or expansion of visitor attractions and amenities. Cannot include projects that are considered to be standard building maintenance and updates.
4. Funding is intended for launching new events and projects; likewise, to enhance or improve existing events and projects.
5. Applicants proposing off season or in season week day events may be given more consideration.
6. Events or projects will need to report back to the RTMC (see requirements in Reporting). If reporting is not completed from a previous grant award, this application will not be reviewed.

Three Goals of Support:

1. New events or enhancements to current events to draw additional people to our area.
2. Marketing & Promotions outside of a 50-mile radius.
3. Tourism Experience Improvements.

Grant application will be considered on its own merits and it is within the RTMC's authority to approve or deny any grant for any reason.

The RTMC will operate without discrimination as to age, race, religion, gender, national origin or sexual orientation in the consideration of funding request and will award funding only to organizations which do not discriminate as to age, race, religion, gender, national origin or sexual orientation.
